

## FUNDING

### **Aviva Community Fund**

Aviva Community Fund competition helps make a positive impact in Canadian communities by funding local and national initiatives for change.

[www.avivacommunityfund.org](http://www.avivacommunityfund.org)

### **Breakfast Clubs of Canada**

Breakfast Clubs of Canada is a national organization dedicated to supporting community-based breakfast programs for school children. We raise funds for programs and help to sustain them by providing appliances, food donations and management tools. Breakfast Clubs of Canada assesses grant requests from registered not-for-profit organizations and/or schools that provide breakfast to schoolchildren living in underprivileged areas.

### **Enterprise**

To create the environment for prosperity in the community by inspiring and supporting people, ideas, and investment. \*Note: Enterprise has various locations throughout the province and websites for each region. For an example, if you are in the Saint John area, there is an Enterprise Saint John

and the website is [www.enterprisesj.com](http://www.enterprisesj.com)

### **Evergreen**

Evergreen is a non-profit organization which offers a range of services, resources, and funding to people interested in greening across the country. They have three main areas of programming; for schools grounds; for community and public spaces; and your grounds at home. This is useful for school gardens and for schools interested in using the foods grown for their breakfast programs. Look under the funding section for available grants.

**“When there is not a sustainable breakfast program or adequate funding in schools, the pressure of knowing students are going hungry may fall on the staff of the school. Teachers at times may bring in extra food from home or change for hot lunch because it is difficult for them to watch students go without. This causes a stress on finances for staff and it is a burden that can be lifted with a breakfast program.”**
